

## **Ricardo López**

Zaragoza (Spain)  
Tel: 34 976 76 25 03  
riclopez@unizar.es

### **Experience**

1998 - Date     Department of Analytical Chemistry. University of Zaragoza (Spain)

- Associate professor
- Associate researcher in the field of flavour chemistry

1994 – 1998     Department of Analytical Chemistry. University of Zaragoza (Spain)

- Fellowship holder of the Office of Transfer of Research (University of Zaragoza)

### **Education**

1995 – 1999     University of Zaragoza

- PhD in Analytical Chemistry

1988 – 1993     University of Zaragoza

- BSc in Chemistry, speciality in Analytical Chemistry

### **Languages**

- Spanish, native
- English, fluent

### **Computer skills**

- Expert user of Windows and Macintosh systems
- Statistic software used: SPSS 11, Statview 5, Unscrambler 7, Statbox, SigmaPlot 5, Origin 4.

### **Personal details**

- Date of Birth: 31st January 1970
- Marital Status: Married
- Driving licence

## Scientific instruments used

- Varian Saturn Gas Chromatograph Mass spectrometer: EI, CI. Models Saturn 5 and Saturn 2000.
- Vg Platform 7, Liquid Chromatograph Mass spectrometer: APCI, ESI
- Gas Chromatographs equipped with FID, NPD and PFPD detectors from HP, Varian, CE Instruments, Shimadzu
- Liquid Chromatographs equipped with UV-Vis and RI detectors from Waters, including Alliance 2695

## Scientific Publications

- [19 publications in international journals](#) (J. Agric. Food Chem.; J. Chrom. A; J. Sci. Food Agric.; Food Chem.), 1 book section.
- 29 communications to congresses, 2 publications in Spanish journals.
